### LIVE CAPTIONS

Selected performances in Season 2012 will be live captioned. All dialogue and sound effects are described in real time on screens in the theatre or via the new Go Theatrical! iPhone, iPad and iPod application available for download from iTunes for \$1.99. Patrons without access to these devices will be able to borrow an iPod Touch\* from our cloak room. \*Limited numbers available.

### FM RADIO-ASSISTED HEARING SYSTEM

An FM radio-assisted hearing system is available for all performances in the Canberra Theatre and The Playhouse. This system amplifies the sound through the use of a supplied headset or the patron's own neck loop. A limited number of these units are available, speak to Box Office at the time of booking if you would like to reserve a unit ahead of time.

Our services for the deaf and hearing impaired are provided with the assistance of Better Hearing Australia, ACT Deafness Resource Centre, Mac1 ANU and The Captioning Studio.
